Woh

Runnin' out on the streets, he lives from day to day
Lookin' for somethin' to do, he needs to get away
Hopin' that maybe one day, he could be someone
Prayin' that maybe someday, he could be number one

In his world of make believe
Yeah, he always tends to be
On the loose
So young, so tough, so wild
On the loose again

Ohh, dreamin', dreamin' about, all the things he'd like
to do
Tryin', tryin' so hard, to make it all up to you

In his world of make believe
Yeah, he always tends to be
On the loose
So young, so tough, so wild
On the loose again

Ohh, he's got somethin' to say, yeah
Ohh, You'd better not stand in his way look out

Ohh, in his world of make believe
Yeah, he always tends to be
On the loose
So young, so tough, so wild
On the loose again
Yeah, on the loose
So young, so tough, so wild
On the loose again
