Days filled with joy  
And days filled with sorrow  
I don't know just what to do

Am I happy today?  
Am I lonely tomorrow?  
Everything depends on you

And I've been waitin'  
For the angels to knock on my door  
I've been hopin'  
That everything could be like before

Open your heart  
And tell me what's wrong  
Why can't you talk  
Like you used to do before?

I don't know if I'm weak  
I don't know if I'm strong  
Hey girl, I can't cope anymore

And I've been waitin'  
For the angels to knock on my door  
I've been hopin'  
That everything could be like before, yeah

Open your heart  
Let me hear you  
Make up your mind  
I want to hear you call

Open your heart  
Want to come near you  
And make up your mind  
Before we lose it all

Maybe that time  
Has its own way of healin'  
Maybe it dries the tears in your eyes

But never change

The way that I'm feelin'  
Only you can answer my cry

And I've been waitin'  
For the angels to knock on my door  
I've been hopin'  
That everything could be like before

Open your heart  
Let me hear you  
Make up your mind  
I want to hear you call

Open your heart  
Want to come near you  
And make up your mind  
Before we lose it all

Open your heart, yeah  
Let me hear you  
Make up your mind  
I want to hear you call

Open your heart  
Want to come near you  
And make up your mind  
Before we lose it all, all
