Sometimes I wonder I'd ever make it through?
Through this world without having you.
I just wouldn't have a clue
'Cause sometimes it seems like this world 's closing in
on me.
And there's no way of breaking free and then I see You
reach for me
Sometimes I wanna give up, wanna give in I wanna quit
the fight
And then I see You Baby and everything's all right,
Everything's all right

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
See it shining right through the rain
When I see you smile
Baby when I see you smile at me

Baby there's nothing in this world that could ever do
What a touch of your hand can do
It's like nothing that I ever knew
And when the rain is falling I don't feel it
'Cause you're here with me now.
I wanna add you baby is all I'll ever need
It's all I'll ever need.

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
I see it shining right through the rain
When I see you smile baby
Baby when I see you smile at me
Sometimes I wanna give up, I wanna give in I wanna
quit the fight
Then one look at you baby and everything's all right,
Everything's all right

When I see you smile
I can face the world, ohow
You know I can do anything
When I see you smile
I see a ray of light ohow
I see it shining right through the rain
When I see you smile
Yeah I can face the world, ohow
You know I can do Anything now
When I see you smile ow yeah
Baby when I see you... smile
Smile at me...
