If you let me, I will  
Pick up the remains  
Of your day

If you let me, I will  
Take a hold of your hand  
Tell you that you're sane

You say, give me what you've got  
Give me, what you've got  
Show me what we're not  
Must be a plan for the every man  
Just give me what you can

'Cause I, wish I could believe in God  
So I could move ahead  
I know I can't believe in God  
Time to move ahead, yeah, yeah

If you let me, I will  
I will soften the blow  
Of the forces that play

If you let me, I will  
I will find some grace  
In the modern day

You say, give me what you've got  
Give me, what you've got  
Show me what we're not  
Must be a plan for the every man  
Just give me what you can

'Cause I, wish I could believe in God  
So I could move ahead  
I know, I can't believe in God  
Time to move ahead

'Cause I, wish I could believe in God  
So I could move ahead  
I know, I can't believe in God  
Time to move ahead, yeah, yeah
