Hey, hey..
Mm..yeah
I've got something to tell you

Yeah!
Oh yeah!

I'm catching the fast train
Soon i'll be long, long gone
And i shoot through the night
Like a bullet from a loaded gun
They been trying to use me
Lie and abuse me

They're trying to break me
No one can take me, no way

Now i'm way down, i'm way down
Yes i'm way down, i'm way down
I'm so down i'm reading yesterdays news

I woke up this morning
Leaving on my mind
And i said to myself
I ain't gonna waste more time, no

I need someone to save me
Love and embrace me

They been trying to get me
Trying to set me up, bad luck

Now i'm way down, i'm way down
Yes i'm way down, i'm way down
I'm so down i'm reading yesterdays news

Yeah, yeah
I got time on my head
I know what i'll do
One made bed
I know i'm come through
Cause i know in my heart

There are things to be said
From the pain that i suffer
And the crush that i'll pay

Now i'm way down, i'm way down
Yes I'm way down, i'm way down

Yes i'm way, way, way, way down
I'm way, way, way down
I'm way, way, way down
Way down, yeah...

I'm so down i'm reading yesterdays news
