How strange the feeling in your soul
When love invades your very being
Another ?me? or so I'm told
And life takes on another meaning

Day after day, I go through the motions
Stumbling my way, life is a blur
Slave of my love, of my emotions
You're in my eyes, you're in my heart

One kiss, one heart, in time,
a kiss, the moment, is mine
I close my eyes, I breathe
I'm Queen of the world of Make Believe

You make me feel, a little crazy
You make me see, your tears are true
You make my days and nights so hazy
You make me feel the image of you

You make me feel, a little crazy
You make me see, your tears are true
You make my days and nights so hazy
You make me feel the image of you

You make me feel, a little crazy
You make me see

One kiss, one heart, in time,
a kiss, the moment, is mine
I close my eyes, I breathe
I'm Queen of the world of Make Believe

You make me feel, a little crazy
You make me see, your tears are true
You make my days and nights so hazy
You make me feel the image of you

You make me feel, a little crazy
You make me see, your tears are true
You make my days and nights so hazy

You make me feel the image of you

You make me feel,
a little crazy
You make me see,
your tears are true
You make me feel,
image of you

I know, it's just, a dream
I feel, I love, this life
I know, it's just, a dream
I feel, I love, this life
