[Gisela - Casanova]

A thousand stars were shining their light in the night
skies
You and me, a magical moment in your eyes
(Casanova)
Lost in love, I'd waited a lifetime to find you
The stars above, were burning so bright to remind you
(Casanova)

Boom, boom, boom my heart still goes crazy
When I think of you...

Oh Casanova
I thought love would last forever
That we'd always stay together
Can't you feel it in your heart?

Oh Casanova
In a fairytale I found you
I'm alive when I'm around you
I can't live if we're apart

A simple song, can bring back the past to remind me
Now you're gone and all the good times behind me
(Casanova)

Boom, boom, boom my heart still goes crazy
When I think of you...

Oh Casanova
I thought love would last forever
That we'd always stay together
Can't you feel it in your heart?

Oh Casanova
In a fairytale I found you
I'm alive when I'm around you
I can't live if we're apart

Vull escoltar que tu' m? estimes (Wo -o-o-o-o)
I want to dream this dream with you

Oh Casanova
I thought love would last forever
That we'd always stay together
Can't you feel it in your heart?

Oh Casanova
In a fairytale I found you
I'm alive when I'm around you
I can't live if we're apart
