Underneath this canopy of snow, where fifty-seven  
winters took their toll  
Where did you go?

And I believed in you, I believed in you  
Like Elvis Presley singing psalms on a Sunday  
Where did you go?  
Well she's gone to meet her maker, back to where she  
came from  
Come to save her soul (Come to save her soul)  
Come to save her soul  
Come to take her home, 'cause it's late and past your  
bedtime, well past bedtime  
Angel, my angel, fly over me angel  
Angel, my angel, fly over me angel

She took her life within her hands  
She took her life within her own two hands  
And no-one can tell her what to do now  
And I believed in you, I believed in you  
Like Elvis Presley singing live from lass Vegas  
Where did you go?  
Well she's gone to meet her maker, back to where she  
came from  
Come to save her soul (Come to save her soul)  
Come to save her soul  
Come to take her home, 'cause it's late and past your  
bedtime, well past bedtime  
Angel, my angel, fly over me angel  
Angel, my angel, fly over me angel  
Close your eyes  
Go to sleep  
Forever in my heart where I'll keep you save, forever  
I'll keep you save

Angel, my angel  
Angel, my angel  
Angel, my angel, fly over me angel  
Angel, my angel, fly over me angel
