Take a girl like that
And put her in a natural setting
Like a cafe for example.
Along comes the boy
And he's looking for trouble
With a girl like that
With a girl like that.
Who knows what they'll decide to do.
Who knows what they'll get up to.
I'd love to know.
Wouldn't you?

I love to listen to beethoven...

You think you know just what you want
But you have used that weapon against me.
Did I tell you I was lying by the way
When I said I wanted a new mink coat.
I was just thinking about
Something sleek
To wrap around my tender throat
I was dreaming like a texan girl
A girl who thinks she's got the right to everything.
A girl who thinks she should have
Something extreme.

I love to listen to beethoven...
