[Ruslan Alehno - Hasta La Vista]

You shone on me like a blinding star  
I've just never seen such a light so far  
All my days like fairy tales

I begged you to look in my loving eyes  
But you were as cold as Arctic ice  
And your laugh  
Has killed my love

The story is close to the final cut  
It won't be the end but a running start  
So don't be upset please don't ask me why  
I say goodbye

Hasta la vista baby  
I'm gonna miss you maybe  
You can be really happy  
Though it's not fair  
Hasta la vista baby  
I'm gonna miss you maybe  
Hasta la vista blame me  
But I don't care

No way to repair the broken glass  
There's nothing to share nor to discuss  
Now I see  
You're not for me  
You've cast me away to a desert shore  
You've shattered my heart now you keep the score  
Have a rest  
You've done your best

The story is close to the final cut  
It won't be the end but a running start  
So don't you pretend you can't get it why  
I say goodbye.

Hasta la vista baby  
I'm gonna miss you maybe  
You can be really happy

Though it's not fair  
Hasta la vista baby  
I'm gonna miss you maybe  
Hasta la vista blame me  
But I don't care

Hasta la vista  
Hasta la vista
