No matter where I am  
I'm always thinking of you  
It may be hard,  
but I need you to understand  
That I don't often say what I feel  
But now this is straight from my heart

My love grows stronger every minute  
And it won't ever die  
I want you to stay with me  
Not just this day  
But for all my life

Now when I look into your eyes  
I can tell there's something wrong  
You're holding back the tears  
Couldn't bear to lose you now  
So I will make my feelings clear

My love grows stronger every minute  
And it won't ever die  
You must believe  
I'll always be there for you  
All my life

Oh please, stay  
Mmm...

My love grows stronger every minute  
And it won't ever die  
I want you to stay with me  
Not just this day  
But for all my life

Oh please, stay
