Here comes the rain again-
Falling on my head like a memory,
Falling on my head like a new emotion.
I want to walk in the open wind.
I want to talk like lovers do.
I want to dive into your ocean.
Is it really with you?
Chorus-
So baby talk to me
Like lovers do.
Walk with me
Like lovers do.
Talk to me
Like lovers do.
Here comes the rain again-
Raining in my head like a tragedy,
Tearing me apart like a new emotion.
I want to breathe in the open wind.
I want to kiss like lovers do.
I want to dive into your ocean.
Is it really with you?
*Chorus
So baby talk to me
Like lovers do.
Here it comes again.
Here comes the rain again-
Falling on my head like a memory,
Falling on my head like a new emotion.
Here it goes again.
Here it goes again.
I want to walk in the open wind.
I want to talk like lovers do.
I want to dive into your ocean.
It is really with you.
Here comes the rain again-
falling on my head like a memory,
falling on my head like e new emotion.
I want to walk in the open wind.
I want to talk like lovers do.
I want to dive into your ocean.
Is it really with you?

Here comes the rain again-
Falling on my head like a memory,
Falling on my head like a new emotion
