Hey, is this my turn?
You want me to sing now? Ok

I don't care if you won't talk to me, you know I'm not
that kind of girl
And I don't care if you won't walk with me, it don't give
me such a thrill
And I don't care about the way you look, you should
know I'm not impressed
'Cause there's just one thing that I'm looking for and he
don't wear a dress
I need a man, I need a man, I need a man, I need a
man
Baby, baby, baby don't you shave your legs, don't you
double comb your hair
Don't powder puff, just leave it rough, I like your
fingers bare
When the night comes down, I can turn it 'round, I can
take you anywhere
I don't need love, forget that stuff, you know that I
don't care
I need a man, I need a man, I need a man, I need a
man
I don't need a heartbreaker
Fifty-faced trouble maker
Two timing time taker
Dirty little money maker
Muscle bound cheap skate
Low down woman hater
Triple crossing double dater
Yella bellied alligator

I don't care if you won't talk to me, you know I'm not
that kind of girl
And I don't care if you won't walk with me, it don't give
me such a thrill
And I don't care about the way you look, you should
know I'm not impressed
'Cause there's just one thing that I'm looking for and he
don't wear a dress
I need a man (Leave me alone)

I need a man (Don't take me home)
I need a man (Baby, you're just overblown)

Hey boy, c'mon, I take you anytime
Baby, baby, baby, baby, baby, baby, baby, baby, baby,
baby, baby, baby, baby, baby, baby, baby, baby
