Monday finds you like a bomb
That's been left ticking there too long
You're bleeding
Some days there's nothing left to learn
From the point of no return
You're leaving
Hey hey, I saved the world today
And everybody's happy now
The bad thing's gone away
And everybody's happy now
The good thing's here to stay
Please let it stay
There's a million mouths to feed
and I've got everything I need
I'm breathing
There's a hurting thing inside
And I've got everything to hide
I'm greiving
Hey hey, I saved the world today
And everybody's happy now
The bad thing's gone away
And everybody's happy now
The good thing's here to stay
Please let it stay
Let it stay
Let it stay
Doo doo doo doo doo the good thing
