[Dustin the Turkey - Irelande Douze Pointe]

Oh I come from a nation what knows how to write a
song

Oh Europe where oh where did it all go wrong
C'mon, Irelande douze pointe

Drag acts and bad acts and Terry Wogan's wig
Mad acts and sad acts, it was Johnny Logan's gig

Shake your feathers and bop your beak
Shake 'em to the west and to the east
Wave Euro hands and Euro feet
Wave 'em in the air to the turkey beat
Irelande douze pointe! Irelande douze pointe!
Irelande douze pointe! To the funky beat

G-o-b gobble b-l-e yeah
Hello Abba, hello Bono, hello Helsinki,
Hola Prague, hello sailor, c'est la vie,
Auf wiedersehen, mamma mia and God save the
Queen
G'day Austria, bonjour Serbia, you know what I mean

Shake your feathers and bop your beak
Shake 'em to the west and to the east
Wave Euro hands and Euro feet
Wave 'em in the air to the funky beat
Irelande douze pointe! Irelande douze pointe!
Irelande douze pointe! Irelande douze pointe!
Irelande douze pointe! Irelande douze pointe!
To the funky beat

Give us another chance, we're sorry for Riverdance
Sure Flatley he's a Yank and the Danube flows through
France
