It's alright, baby's coming back and I don't really care  
where he's been, no  
It's alright, baby's coming back and I won't turn him  
around this time, no, no, no  
I'll be your cliff (You can fall down from me)  
I'll be your ledge (You can lean upon me)  
I'll be your bridge (Your flowering tree)  
You can still depend on me  
And I'll be (The ticking of your clock)  
And I'll be (The numbers on your watch)  
And I'll be (Your hands to stop the time)  
I'll even be your danger sign  
It's alright, baby's coming back and I don't really care  
where he's been, no  
It's alright, baby's coming back and I won't turn him  
around this time, no  
And I'll be (Your grace, your dignity)  
And I'll be (Your night, your destiny)  
And I'll be (Your comfort and your ease)  
I will be your storm at seas  
And I'll be (Your sharp intake of breath)  
And I'll be (Your work I'll take no rest)  
And when the world falls to decline  
I'll be yours and you'll be mine  
It's alright, baby's coming back and I don't really care  
where he's been

And I'll be (Your cliff, you can fall down from me)  
And I'll be (Your ledge, you can lean upon me)  
And I'll be (Your bridge, your flowering tree)  
You can still depend on me  
And I'll be (The ticking of your clock)  
And I'll be (The numbers on your watch)  
And I'll be (Your hands to stop the time)  
I'll even be your danger sign

It's alright, baby's coming back and I won't turn him  
around this time, no, no, no, no, no, no  
(Make it easy on yourself tonight) It's alright (Make it  
easy on yourself tonight), baby's coming back  
(Make it easy on yourself tonight) and I don't really

care where he's been (Make it easy on yourself tonight)  
Make it, make it, make it, make it, make it, make it,  
make it, make it, make it, make it  
Make it easy on yourself tonight  
(Make it easy on yourself tonight) It's alright (Make it  
easy on yourself tonight), baby's coming back  
(Make it easy on yourself tonight) and I won't turn him  
around this time (Make it easy on yourself tonight)  
(Oh no, no, no) (Make it easy on yourself tonight) It's  
alright (Make it easy on yourself tonight) (Oh no, no,  
no)  
Baby's coming back (Oh no, no, no) (Make it easy on  
yourself tonight) and I don't really care where he's  
been  
(Oh no, no, no, no, no, no, no, no, no, no) (Make it easy  
on yourself tonight)  
(Make it easy on yourself tonight) It's alright (Make it  
easy on yourself tonight), baby's coming back  
(Make it easy on yourself tonight) and I won't turn him  
around this time (Make it easy on yourself tonight)  
(Make it easy on yourself tonight) It's alright
