Turn it down so I can't hear it  
Turn it out so I can't see it  
It's just useless to ignore  
We're going down, you don't feel it  
Turn it round, you don't mean it and  
I can't stand it anymore

When the whole world sighs  
And it's making you so deflated

I've got a life  
Though it refuses to shine  
I've got a life it ain't over (it ain't over)  
I've got a way  
It's the only things that's mine  
All I'm asking for is tenderness  
A little tenderness

Ooo it's a cruel place  
You never asked to be here  
Nobody cares and no one's gonna help you now (hold on)  
It's dog eat dog the human race  
The only thing they'll do is hate you (hate you)

Such a crime to be unkind  
Turn your cheek pretend you're blind

I've got a life  
Though it refuses to shine  
I've got a life it ain't over  
It ain't over  
I've got a way  
It's the only thing that's mine  
All I'm asking for is tenderness  
Tenderness

I've got a life  
Though it refuses to shine  
I've got a life it ain't over  
It ain't over

I've got a way  
It's the only thing that's mine  
All I'm asking for is tenderness

Be strong now baby  
Gotta be strong now baby  
Gotta be strong!
