When you lay your eyes on me,
the feeling sets me free
You're my vision of love,
the very heart of life
The last word

'Cause you made me dream again
Took me where I'd never been
You made me dream again

Don't let me fall apart
Please don't break my heart
I love you
Your kisses I would miss
Your smile and your caress
I love you
Winter's gone and summer comes around
Like the love I found

Now I'm helpless as you,
just drift away from me
I miss you

And you made me dream again
Took me where I'd never been
You made me dream again

Don't let me fall apart
Please don't break my heart
I love you
Your kisses I would miss
Your smile and your caress
I love you
Winter's gone and summer comes around
Like the love I found

Don't let me fall apart
Please don't break my heart
I love you
Your kisses I would miss
Your smile and your caress

I love you
Winter's gone and summer comes around
Like the love I found

Don't let me fall apart
Please don't break my heart
I love you
Your kisses I would miss
Your smile and your caress
I love you
Winter's gone and summer comes around
Like the love I found

Don't let me down
Don't let me go
Don't let me fall apart

Don't let me fall apart
'Cause I love you baby
You're the one that makes me dream
