[Maria - Hold On Be Strong]

Love can be hard sometimes  
Yes it can catch you off guard like bad crimes  
Yes it can make you depressed and angry  
Make you say why me why won't anybody try me

You might be saying ooh, I don't wanna be lonely  
Ooh, I don't wanna be by myself  
Ooh, don't wanna be lonely  
Why ain't anybody lovin' me

But there's always someone out there who'll be there  
for you  
There is always someone out there who'll care for you  
There's always someone out there who'll be true, true,  
true  
Hold on, hold on, be strong

Love can go away forever if you push it  
And you have to remember don't rush it  
If it ain't right it is wrong  
And you'll be crying why me, why won' anybody try me

You might be saying ooh, I don't wanna be lonely  
Ooh, I don't wanna be by myself  
Ooh, don't wanna be lonely -no, no  
Why ain't anybody lovin' me

But there's always someone out there who'll be there  
for you  
There is always someone out there who'll care for you  
There's always someone out there who'll be true, true,  
true  
Hold on, hold on, be strong

Yes, there's always someone out there who'll be there  
for you,  
There is always someone out there who'll care for you  
There's always someone out there who'll be true, true,  
true,  
Hold on, hold on, be strong,

Hold on, hold on, be strong  
My child hold on, hold on be strong
