Paint a rumour (What's it gonna spread?)  
Paint a rumour (See the place go red)  
I could tell you something (Promise not to tell)  
I could tell you something (Promise not to sell)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret, secret)

(I have heard a whisper) I have heard a whisper (What did it say?)  
I heard a whisper (Make it go away)  
Don't believe a word of it (Promise not to tell)  
Don't repeat a word of it (Promise not to sell)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret)  
It's a secret (Secret, it's a secret)  
It's a secret (Secret)

It's a secret (Secret)  
It's a secret (Secret, it's a secret, secret)  
It's a secret (Secret, it's a secret)  
It's a secret (Secret, secret), secret  
Paint a rumour, paint a rumour (See the place go red)  
I could tell you something, I could tell you something  
(Promise not to sell)

(Promise not to sell)
