I've got a delicate mind  
I've got a dangerous nature  
And my fist collides with your furniture  
I've got a delicate mind  
I've got a dangerous nature  
And my fist collides with your furniture  
I'm an electric wire and I'm stuck inside your head

I'm a hungry Mohican  
I've got a razor blade smile  
So don't come near me  
I've got a singular style  
Fifteen senses are on my plate  
All the things that you love to hate  
I'm an electric wire and I'm stuck inside your head

Where I go to no one knows  
Find me where the cold wind blows  
Where I go to no one knows  
Find me where the cold wind blows  
Regrets

I've got a delicate mind (Regrets)  
I've got a dangerous nature  
(Regrets) And my fist collides with your furniture  
(Regrets) I've got a delicate mind, yes, yes, yes  
I've got a dangerous...  
My fist collides with your furniture (Regrets)  
Fire, lets catch fire  
(Regrets) I'm an electric wire (Regrets)

(Regrets) Black is red and red is white  
In this country I do what I like  
(Regrets) (Regrets) I said, "Black is red"  
(Regrets) White  
Do what I like (Regrets)  
(Regrets) That's right, that's right, that's right, that's  
right, that's right, that's right, that's right, that's right  
(Regrets)  
Red is white (Regrets)

Well I guess this friend of mine is a friend is spendin'  
under? and just what I like (Regrets)  
I like it to be? I do what I like, I do what I like, I do what I  
like (Regrets) (Regrets) (Regrets) (Regrets)
