[Charlotte Perrelli - Hero]

Everything has a beginning
Everything comes to an end
Take it or leave it you'd better believe it
Be my love or be my friend

Try to deny what you're feeling
And you'll know that your heart will say no
Love will last longer
Only stronger and stronger
If you stay and don't let go

Oo Out of the light like a star, like a hero
Love will survive
Oo Taking the fight is the life of a hero
Staying alive
This is a story, of love and compassion
Only heroes can tell
Out of the light, like a star like a hero
Love will survive

Heaven and earth keep colliding
But with love on a world of it's own
Oo there you can't fake it
Just make it or break it
But only you can find the one

Oo Out of the light like a star, like a hero
Love will survive
Oo Taking the fight is the life of a hero
Staying alive
This is a story, of love and compassion
Only heroes can tell
Oo Out of the light, like a star like a hero
Love, will survive

Will survive
Oo survive
Will survive

Heroes can live on their own

But heroes never die alone

Out of the light like a star, like a hero
Love will survive
Oo Taking the fight is the life of a hero
Staying alive
This is a story, of love and compassion
Only heroes can tell
Oo Out of the light, like a star like a hero
Love will survive
