[Hind - Your Heart Belongs To Me]

There was a time when I was in love with a fool
He stepped on my heart, bruised me, and broke the
golden rule

There was a time I couldn't tell weak from strong
A voice in my head kept saying this can't go on
Even though I longed, something's wrong

You know your heart belongs to me
You made it clear to see
That we were never meant to be
Only a memory remains

Oh yes your heart belongs to me
But I've got to set you free
Cause we were never meant to be together

I've learned my lesson, now I know where I stand
Time heals all wounds and broken hearts will mend
I've read all the signs and now I've moved along
This carousel keeps turning on and on, and on and on
Life goes on

You know your heart belongs to me
You made it clear to see
That we were never meant to be
Only a memory remains

Oh yes your heart belongs to me
But I've got to set you free
Cause we were never meant to be together

I wish I was the wind, the sun the rain
And I could hold time in my hands
In my dreams I'll fly high so I can reach the stars
I sit on top of a mountain and scream
When nobody hears me
Nobody sees me

You know your heart belongs to me
You made it clear to see

That we were never meant to be
Only a memory remains
Oh yes your heart belongs to me
But I've got to set you free
Cause we were never meant to be together
You know your heart belongs to me.
