You gave me such a bad time, tried to hurt me but now
I'm leaving

Thorn in my side, you know that's all you ever were
A bundle of lies, you know that's all that it was worth
I should have known better but I trusted you at first
I should have known better but I got what I deserved

To run away from you (Run, run, run, run) was all that I
could do (Run, run, run, run)
To run away from you (Run, run, run, run) was all that I
could do (Run, run, run, run)
To run away from you (Run, run, run, run) was all that I
could do (Run, run, run, run)
To run away from you (Run, run, run, run) was all that I
could do

Thorn in my side, you know that's all you'll ever be
So don't think you know better 'cause that's what you
mean to me
I was feeling complicated, I was feeling low
Now everytime I think of you, I shiver to the bone

To run away from you (Run, run, run, run) was all that I
could do (Run, run, run, run)
To run away from you (Run, run, run, run)

(Run, run, run, run) (Run, run, run, run) (Run, run, run,
run) (Run, run, run, run)
I say (Run, run, run, run) (Run, run, run, run)
I say (Run, run, run, run) (Run, run, run, run)
I say (Run, run, run, run)
To run away from you (Run, run, run, run) was all that I
could do (I say) (Run, run, run, run)
To run away from you (Run, run, run, run) was all that I
could do (I say) (Run, run, run, run)
(Run, run, run, run) (I say) (Run, run, run, run)
