"Would I Lie To You?"

Visit "[Would I Lie To You?](#)" on MotoLyrics.com

Would I lie to you?
Would I lie to you honey? (Oh, no, no, no)
Now would I say something that wasn't true?
I'm asking you sugar, would I lie to you?
My friends, know what's in store
I won't be here anymore
I've packed my bags
I've cleaned the floor
Watch me walkin', walkin' out the door
(Believe me) I'll make it, make it
(Believe me) I'll make it, make it
Would I lie to you?
Would I lie to you honey? (Now honey would I lie?)
Now would I say something that wasn't true?
I'm asking you sugar, would I lie to you?
Tell you straight, no intervention
To your face, no deception
You're the biggest fake
That much is true
Had all I can take
Now I'm leaving you, you, you, you, you, you, you, you,
you, you, you, you, you, you, you, you, you, you

(Believe me) I'll make it, make it, oh yes I will
(Believe me) I'll make it, make it (Make it, make it,
make it, make it, make it, make it, make it)
Would I lie to you? (I'll make it, make it)
Would I lie to you honey?
Now would I say something that wasn't true?
I'm asking you sugar, would I lie?

Would I lie to you?
Would I lie to you honey? (Oh, no, no, no)
Now would I say something that wasn't true?
I'm asking you sugar, would I lie to you?
My friends, know what's in store
I won't be here anymore
I've packed my bags
I've cleaned the floor
Watch me walkin', walkin' out the door
(Believe me) Watch me, watch me

(Believe me) Watch me, watch me, yes I will
Would I lie to you? ((Watch me) Watch me, watch me
(Check out, check out, check out, check out, check out))
Would I lie to you? (Oh, no, no, no) (Oh, no, no, no) (Oh,
no, no, no) (Walking, walking) (C'mon, c'mon, c'mon)
Would I lie to you?
(Watch me) Would I lie to you?
(Watch me now) Would I lie to you? (Check out, check
out, check out, one more time, check out, check out)
(Watch me now) Would I lie to you? (Would I lie to you?)
Check out, check out, check out, check out, check out))
Would I lie to you?
