"Wrap It Up"

I've been watching you for days now baby

I just love your sexy ways now baby

You now my love will never stop now baby

Just put your loving in my box baby

Wrap it up - I'll take it

No more will I shop around baby

You know I've got the best thing in town now baby

I've seen all I wanna see baby

What your loving means to me now baby

Wrap it up - I'll take it

I'm gonna treat you like the queen you are

Give you sweet things from my candy jar

You've got treats you ain't ever used

Give it give it to me

It won't get abused
