Yes im hay hoghits eka berem
Hove sareri, luyse arevi
[I came from my land to bring you
The breeze of mountains and the glow of sun]

You wanna be with me,
You think and dream of me,
Come qele, move qele
Instead of watching me,
You should be reaching me
Come qele, move qele

Qe-qe-qe-qe-le!

Qele, qele! Qele, qele! Qele, qele! Qe-le
Time is here tonight,
You should make it right,
To end our fight, just hold me tight!
Hold me tight!
Hold me tight! Qele!

You wanna be with me,
You thinking dream of me
Come qele, move qele
Instead of watching me
You should be reaching me,
Come qele, move qele

Qele, qele! Qele, qele! Qele, qele! Qe-le
Time is here tonight,
You should make it right,
To end our fight, just hold me tight!
