Welcome to the night
And you will see you've got the magic power
I am on my way, I keep the key to your tower

You can serve me something really hot
Call it love or madness
But you'll get the best of what I've got

Work your magic
I never wanna lose this feeling
I am able and I'm willing
Yes, I'm willing

Work your magic
You set my beating heart in motion
When you cast your loving potion
Loving potion

Work your magic
I never wanna lose this feeling
I am able and I'm willing
Yes, I'm willing

Work your magic
You set my beating heart in motion
When you cast your loving potion
Over me

Baby, you can put your spell on me
Makin' it slow and steady
Maybe I can solve your mystery
Are you ready?

We are standing closely skin to skin
Playin' a very old game
In this game of love you always win

Work your magic
I never wanna lose this feeling
I am able and I'm willing
Yes, I'm willing

Work your magic
You set my beating heart in motion
When you cast your loving potion
Over me

When you cast your loving potion
Over me

So you work your magic
Baby, work your magic
Keep my heart forever bound

Work your magic
I never wanna lose this feeling
I am able and I'm willing
Yes, I'm willing

Work your magic
You set my beating heart in motion
When you cast your loving potion
Over me
