Ah...

The sum of all my fantasies  
That's everything you are to me

You came around and made my senses fly  
Shook me up when you took me to the sky  
Never thought that I could ever get this high

Je t'adore and I can't conceal it  
Je t'adore, anyone can see it  
You give me just a little more  
Of everything I've waited for  
Je t'adore, here's my heart so take it  
Je t'adore, only you can break it  
You got me fallen to the floor  
Anyway you want, I'm yours  
(Je t'adore)

Bye bye to all the lies I've heard  
You made a different kind of girl

You spun me out and you made my senses fly  
Shook me up when you took me to the sky  
Never thought that I could ever get this high

Je t'adore and I can't conceal it  
Je t'adore, anyone can see it  
You give me just a little more  
Of everything I've waited for  
Oh yeah...  
Je t'adore, here's my heart so take it  
Je t'adore, only you can break it  
You got me fallen to the floor  
Anyway you want, I'm yours  
Oh... Je t'adore

You're the rush that I missed  
Made a wish that I'd feel a kiss  
Just like this

Je t'adore, yeah, you made me feel it

Je t'adore, and I really mean it  
You give me just a little more  
Of everything I've waited for  
(Everything I've ever waited for)  
Je t'adore, here's my heart so take it  
Je t'adore, baby, don't you break it  
You got me fallen to the floor  
Anyway you want, I'm yours

(Oh oh oh...)  
Je t'adore
