No matter where I am
I'm always thinking of you
It may be hard,
but I need you to understand
That I don't often say what I feel
But now this is straight from my heart

My love grows stronger every minute
And it won't ever die
I want you to stay with me
Not just this day
But for all my life

Now when I look into your eyes
I can tell there's something wrong
You're holding back the tears
Couldn't bear to lose you now
So I will make my feelings clear

My love grows stronger every minute
And it won't ever die
You must believe
I'll always be there for you
All my life

Oh please, stay
Mmm...

My love grows stronger every minute
And it won't ever die
I want you to stay with me
Not just this day
But for all my life

Oh please, stay
