Say yeah, gimme your loving
(Gimme, gimme, gimme, gimme)
(Gimme, gimme, gimme your loving)

Thought that it would be so easy
Thought that I could be alone
But when I'm close to you
I lose my mind
I lose control
(Gimme your loving)

I want you so, I won't let go
Please give me now a sign to move on, oh?

Gimme, gimme, gimme your loving
Far away from you seems like dying
Don't you leave me standing in the dark
Ohoh, gimme, gimme, gimme your loving
Gimme, gimme a chance to make you my girl
Let me be the one to win your heart
Gimme your loving

Thought that everything would be okay
I could live just on my own
(Gimme your loving)

But I want you so, I won't let go
Please give me now a sign to move on, oh?

Gimme, gimme, gimme your loving
Far away from you seems like dying
Don't you leave me standing in the dark
Ohoh, gimme, gimme, gimme your loving
Gimme, gimme a chance to make you my girl
Let me be the one to win your heart
Gimme your loving

(Gimme, gimme,) gimme, gimme
Gimme, gimme, (gimme, gimme, gimme, gimme)
Gimme your loving

Na na na na na na na na na?) Na?
(Na na na na na na na na na...)
Na na na na na na na na na?

Ohoh

Gimme, gimme, gimme your loving
Far away from you seems like dying
(Don?t you leave me standing in the dark)
Don?t you leave me standing in the dark

Ohoh, gimme, gimme, gimme your loving
Gimme your loving
(Gimme, gimme a chance to make you my girl) My girl
Let me be the one to win your heart
Gimme your loving

Gimme, gimme
