The sun is up
I'm feeling great
I'm just enjoying life
Right here in the shade
Let's take a ride, right away
I'll be by your side
So easy, the easy life
Celebrate the good times

All night long
All night long
Celebrate good times
Come on
All night long

Who's to tell
What's to come
All I know is tomorrow
Today will be gone
Get out, out of bed
Put on your blue suede shoes
Get up, up and dance
Celebrate the good times

All night long
All night long
Celebrate good times
Come on
All night long

All night long
All night long
Celebrate good times
Come on
All night long

If your life is like a sad song, maybe
You should try and celebrate it, celebrate it

All night long
All night long

Celebrate good times
Come on
All night long

All night long
All night long
Celebrate good times
Come on
All night long

All night long
All night long
Celebrate good times
Come on
All night long Close Window
