Time to live
Time to feel
Harp and horn
Music's born
Two worlds meet,
hungry sharing a fantasy

Tail and wing
Soon will swing
Dusk till dawn
Let the show just begin
In a place where pardon stand
Giving feast on sacred land

The angels and devils meet at night (Hallelujah!)
They dance, they caress each other
Holding on so tight
The angels and demons side by side (Hallelujah!)
They dance until morning light
When nobody else is in sight
Takes two to tango, tango

Purified
Justified
Times of lust (Times of lust)
Times of trust (Times of trust)
Praising dark
For one moment in paradise

Passion flows
Eager grows
Time runs out, it's the end of the show
When the morning is at hand
Time has come to show her stand

The angels and devils meet at night (Hallelujah!)
They dance, they caress each other
Holding on so tight
The angels and demons side by side (Hallelujah!)
They dance until morning light
When nobody else is in sight

Takes two to tango

Angels falling, hear them calling
Demons rise in their disguises
Hearts are beating
Secret meetings
Just for one moment in love

The angels and devils meet at night (Ha-Ha-
Hallelujah!)
They dance, they caress each other
Holding on so tight
The angels and demons side by side (Ha-Ha-
Hallelujah!)
They dance until morning light (Dance until morning)
When nobody else is in sight (Where no-one can see)
Takes two to tango
