You don't know how I was then  
All broken up, my pride was stolen  
I lived a little lie, I wouldn't show the hurting inside

I was living in emptiness, I was out of love  
Guard my heart, my wall was so high  
You came in with all your confidence  
You swept me away off the ground, you taught me to fly

Holding on until the next time, I can't get you out of my mind  
If you were a drug, I'd be addicted to you  
Every time that we say 'goodbye', I just die a little inside  
How'd I fall so hard? - I'm so addicted to you

Addicted to you, addicted to you  
So addicted to you, I'm so addicted to you, oh...

Why couldn't this be simple?  
We'd live just like the other people  
Now that you're far away, my missing is a constant heartache

'Cause those sparkles back in my eyes  
I wish I could stay just like this, don't want you to go  
When you're far away, fantasize  
That you're in my arms and I jump when I hear the phone

Holding on until the next time, I can't get you out of my mind  
If you were a drug, I'd be addicted to you  
Every time that we say 'goodbye', I just die a little inside  
How'd I fall so hard? - I'm so addicted to you

Addiction - it's hitting hard  
Now it's got its hold  
Oh... I can't let go

(Holding on until the next time,) I can't get you out of  
my mind  
If you were a drug, I'd be addicted to you  
Every time that we say 'goodbye', I just die a little  
inside  
How'd I fall so hard? - I'm so addicted to you

Holding on until the next time, I can't get you out of my  
mind  
If you were a drug, I'd be addicted to you
