I saw my ID, and it wasn't me
It was someone else's identity
Why do I need to prove myself
Who is the judge of my sanity

Roaming through my old emotions
I find new feelings of misery
I bet with my soul to get back the truth
Where I will face reality

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it

Walking around with some thoughts on my mind
I've searched for a place where I'll be free
From all that I said and all that's been done
It'll be hard to find it inside of me

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it

I know that I've gotta try
Noone can see me cry
I can't take it any more
I must find a way to let myself go

Life is a book and you gotta read it
Life is a story and you gotta tell it

Life is a song and you gotta sing it
You got to know how to live it

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it

Life is a book and you gotta read it
Life is a story and you gotta tell it
Life is a song and you gotta sing it
You got to know how to live it
