You'd better run and hide

Twenty-five Dollars wasted on you  
Got you out of trouble, but you'll soon come by  
For another try

You're a friend of mine and I know  
Only crooked places you can go  
Your eyes  
Conveyed too many lies, yeah

You'd better run and hide  
Too many girls have cried  
Oh no no no why  
Do I feel sorry?  
You'd better run and hide  
Too many dreams have died  
Oh no no no why  
Do I still worry?  
Yeah

You'd better run  
You'd better run  
You'd better run  
You'd better run and hide

Twenty-five reasons to leave you  
But I'm still feeling kinda blue  
Inside  
Watching our worlds collide

Baby gotta see you as you are  
Wipe the rest of yearning out of my heart  
And try  
To say that last goodbye

He he he

You'd better run and hide  
Too many girls have cried  
Oh no no no why

Do I feel sorry?  
You'd better run and hide  
Too many dreams have died  
Oh no no no why  
Do I still worry?  
Yeah

Oh no no no no no no no no  
I still worry  
You'd better run and hide, hide  
You'd better run and hide  
You'd better run and hide
