Whoah oh, oh oh  
Whoah oh, oh oh

His name is Jeremy, working in IT  
Never questions why he has always been  
An extra careful guy, sensitive and shy  
Risk assessment is his investment in a life of no  
surprise  
Till she walked into his life

She's spontaneous indeed, uncertainty's her  
creed  
She has always been neither black or white  
Just a curious delight  
She threw affection his direction, a collection of her  
smiles  
And to his surprise, whoah oh

She's like tomorrow, oh so distant, she just wants  
to play  
Like tomorrow she is always one day away  
All the time she slips away it's close but yet so far  
It's time to follow her tomorrow, whoah oh  
Time to follow her tomorrow, whoah oh

He fell for her too fast, we all thought it wouldn't  
last  
Cause good ol' Jeremy likes his rigorous routine  
Cause he only thinks today but tomorrow is a way  
To find a new direction and you'll be okay

She's like tomorrow, oh so distant, she just wants  
to play  
Like tomorrow she is always one day away  
All the time she slips away it's close but yet so far  
It's time to follow her tomorrow, oh oh

Time to follow her tomorrow, oh oh  
Time to follow her tomorrow, oh oh  
Time to follow her tomorrow, oh oh

Sheâ€™s like tomorrow, oh so distant, she just wants  
to play  
Like tomorrow she is always one day away  
One day away (One day away)  
One day away (One day away)

All the time she slips away itâ€™s close but yet so far  
Itâ€™s time to follow her tomorrow, oh oh  
Itâ€™s time to follow her tomorrow, oh oh  
Itâ€™s time to follow her tomorrow, oh oh
