Performed by: One

Placing: 6th

Say yeah, gimme your lovin'  
(Gimme, gimme, gimme, gimme)  
(Gimme, gimme, gimme your lovin')

Thought that it would be so easy  
Thought that I could be alone  
But when I'm close to you, I lose my mind  
I lose control  
(Gimme your lovin')

I want you so, I won't let go  
Please give me now a sign to move on, oh...

Gimme, gimme, gimme your lovin'  
Far away from you seems like dyin'  
Don't you leave me standing in the dark  
Oh... gimme, gimme, gimme your lovin'  
Gimme, gimme a chance to make you my girl  
Let me be the one to win your heart  
Gimme your lovin'

Thought that everything would be okay  
I could live just on my own  
(Gimme your lovin')

But I want you so, I won't let go  
Please give me now a sign to move on, oh...

Gimme, gimme, gimme your lovin'  
Far away from you seems like dyin'  
Don't you leave me standing in the dark  
Oh... gimme, gimme, gimme your lovin'  
Gimme, gimme a chance to make you my girl  
Let me be the one to win your heart  
Gimme your lovin'

(Gimme, gimme,) gimme, gimme  
Gimme, gimme, (gimme, gimme, gimme, gimme)

Gimme you lovin'

(Na na na na na na na na na...) Na...

(Na na na na na na na na na...)

Na na na na na na na na na...

(Oh...) gimme, gimme, gimme your lovin'

Far away from you seems like dyin'

(Don't you leave me standing in the dark)

Don't you leave me standing in the dark

(Oh... gimme, gimme, gimme your lovin') Gimme your lovin'

(Gimme, gimme a chance to make you my girl) My girl

Let me be the one to win your heart

Gimme your lovin'

Gimme, gimme
