Came flyin' into my life like a shooting star, so open
hearted
Then I was just a joker, but you - the Queen of Hearts,
and so we parted
But now I feel you closin' in, you pick me up and take
me there, oh...

Angel - show me a sign
Come shoot me with your arrow right through this heart
of mine
Angel - show me the way
I'll walk the straight and narrow, so hit me when I say:
Oh Angel - fly me away, yeah

(Oo... oo... na na na na...)

If love can be forever, minute or a day, it's no illusion
I know I'm gonna find you somewhere in the clouds of
my confusion
But now I see you closin' in, you pick me up and take
me there, oh...

Angel - show me a sign
Come shoot me with your arrow right through this heart
of mine
Angel - show me the way
I'll walk the straight and narrow, so hit me when I say:
Oh Angel - fly me away, yeah

(Oo... oo... na na na na...)

But now I see you closin' in, you pick me up and take
me there, oh...

Angel - show me a sign
Come shoot me with your arrow right through this heart
of mine
Angel - show me the way
I'll walk the straight and narrow, so hit me when I say:
Angel (oh... show my the way)

Oh Angel - show me the way
I'll walk the straight and narrow, so hit me when I say:
Oh Angel - fly me away, oh...
