You say you really know me,
You're not afraid to show me,
What is in your eyes.

So tell me about the rumours
Are they only rumours?
Are they only lies?

Falling out of a perfect dream,
Coming out of the blue.

Is it true?
Is it over?
Did I throw it away?
Was it you?
Did you tell me you would never leave me this way?

If you really knew me
You couldn't do this to me
You would be my friend

If one of us is lying
There's no use in trying
No need to pretend

Falling out of a perfect dream,
Coming out of the blue.

Is it true?
Is it over?
Did I throw it away?
Was it you?
Did you tell me you would never leave me this way?

Is it true?
Is it over?
Did I throw it away?
Was it you?
Did you tell me you would never leave me this way?

Is it real?

Did I dream it?
Will I wake from this pain
Is it true?
Is it over?
Baby did I throw it away?
