I never thought that it would end  
You were the one, my love, my friend  
You were my every dream come true  
Always, you said, was me and you

So how can you say it's over now?  
How can you wave it all goodbye?  
Always, you said, this love would be  
Always, you said, was you and me

Is always over now?  
Does it never last that long?  
Were the feelings that I had  
Ever right, or was it wrong?  
To think that love should last  
Was mistaken on my part  
But you promised me the Earth  
(You promised me...)  
And you only broke my heart

You touched my soul  
You touched my life  
You always would, you said  
But now, you are taking always away

Is always over now?  
Does it never last that long?  
Were the feelings that I had  
Ever right, or was it wrong?  
To think that love should last  
Was mistaken on my part  
But you promised me the Earth  
(You promised me...)  
And you only broke my heart

Is always over now?  
Does it never last that long?  
Were the feelings that I had  
Ever right, or was it wrong?  
To think that love should last  
Was mistaken on my part

But you promised me the Earth  
(You promised me...)  
And you only broke my heart  
(You promised me...)
