I hear your voice on the wind
And I hear you call out my name

"Listen my child" you say to me
"I am the voice of your history"
"Be not afraid, come follow me"
"Answer my call and I'll set you free"

I am the voice in the wind and the pouring rain
I am the voice of your hunger and pain
I am the voice that always is calling you
I am the voice, I will remain

I am the voice in the fields when the summer's gone
The dance of the leaves when the autumn winds blow
Now do I sleep throughout all the cold winter long
I am the force that in springtime will grow

I am the voice of the past that will always be
Filled with my sorrows and blood in my fields
I am the voice of the future
Bring me your peace
Bring me your peace and my wounds, they will heal

I am the voice in the wind and the pouring rain
I am the voice of your hunger and pain
I am the voice that always is calling you
I am the voice

I am the voice of the past that will always be
I am the voice of your hunger and pain
I am the voice of the future
I am the voice
I am the voice
I am the voice
I am the voice
