Showing no emotion  
My feelings locked inside  
I made myself an island  
Trying to take my heart and hide  
I built a wall around me  
Afraid of letting go  
But suddenly an open door  
I never saw before

In your eyes (your eyes)  
I see the light leading me home again  
It's heaven in your arms, my love  
My heart is in your hands  
(Heaven in your arms, your eyes)  
In your eyes, seems so right  
I see forever in your smile  
This woman is a child again  
(In your eyes)

Love's been building bridges  
Between your heart and mine  
I'm safe here on my island  
But I'm out on the edge this time  
I built a wall around me  
Thought I'd save myself the pain  
Your touch swept me away  
Now I'll never play it safe again

In your eyes (your eyes)  
I see the light  
Leading me home again  
It's heaven in your arms, my love  
My heart is in your hands  
(Heaven in your arms, your eyes)  
In your eyes, seems so right  
I see forever in your smile  
This woman is a child again

I've never been this close  
How do I know love will survive?  
I'm walking a tightrope

Here, in your arms, I'm alive

I'm in your eyes (your eyes)  
I see the light  
I see forever in your smile  
This woman is a child again

I'm in your eyes (in your eyes)  
(I see the light leading me home again)  
See the light, I see the light  
(It's heaven in your arms, my love)  
(My heart is in your hands)  
Whoa...  
(In your eyes, feels so right)  
I see forever in your smile  
This woman is a child again  
When I look in your eyes
