Vers 1:

Love the way you fill me up with life
Baby we can break the speed of light
Nothing to fear
When you are near
Just give me more oh oh
Reaching for the sky im aiming high
Close my eyes and then its almost like we fly
Up in the air
Lets take it there
Never let go oh oh

Ref:

Oh oh oh
Feel the energy
Bettwen you and me
Baby Its so right
Oh oh oh
I feel the energy
Just taking over me, over me
How lâ€™™ ve been waiting for this
(lalalalalalalala)Love
How lâ€™™ ve been waiting for this
(lalalalalalalala)Love

Vers 2:

Paris to LA over the night
All around the world just you and I
Nothing to fear
When you are near
Were on a roll oh oh
And We do it again
No stop no end
Out of control
