You're spinning me round
And you're holding me down
Loving you gives me vertigo
I'm losing my ground
Giving in to your heart
Kissing you gives me vertigo

And I'm lost, then I'm found
And I run, then I hide
And I turn, you're not there
I say yes, you say no
Loving you gives me vertigo

And I give, but you take (And I'm lost, then I'm found)
I made one big mistake (And I run, then I hide)
Gave you all, A to Z (And I turn, you're not there)
Then you came, now you go
Loving you gives me vertigo

You're lifting me high
Then you're taking me low
It's feeling like I'm getting vertigo
You colour me blue
Turn my passion to red
It's feeling like I've become indigo

And I give, but you take (And I'm lost, then I'm found)
I made one big mistake (And I run, then I hide)
Gave you all, A to Z (And I turn, you're not there)
Then you came, now you go
Loving you gives me vertigo

Am I crazy? Could it be maybe
Solo is the way to go?

And I'm lost, then I'm found
And I run, then I hide
And I turn, you're not there
I say yes, you say no
Loving you gives me vertigo

And I give, but you take (And I'm lost, then I'm found)
I made one big mistake (And I run, then I hide)
Gave you all, A to Z (And I turn, you're not there)
Then you came, now you go
Loving you gives me vertigo
