Every night I need my Loca
Every night I need her boca
Every night I need my Loco
Need him crazy just un poco

Hey, Loca, give me, give me your boca
You're my girl, you're my Loca
You're breaking my heart

Hey, Loco, please, espera un poco
And I'll give you my choco
Do you want it or not?

Every time I see my Loca
I feel I go crazy un poco
She's so sexy, she's so hot
Every night she's breaking my heart

Every time I see my Loco
I realize he's crazy un poco
And we keep on dancing all night long
With my boy I will never feel alone

Hey, Loca, give me, give me your boca
You're my girl, you're my Loca
You're breaking my heart wowowowo

Hey, Loco, please, espera un poco
And I'll give you my choco
Do you want it or not?

If I wanna taste her love tonight
Need to kiss her boca one more time
I can fly away and reach the stars
Every time I drown into her eyes

If I wanna taste his love tonight
I just have to hold my loco tight
I can fly always and reach the stars
Every time he looks into my eyes

Hey, Loca, give me, give me your boca
You're my girl, you're my Loca
You're breaking my heart

Hey, Loco, please, espera un poco
And I'll give you my choco
Do you want it or not?

She's a little bit Loco
A little bit choco
A little bit tall yo
A little bit small yo
A little Latino
A little Europio
A little bit choco
Exotic Marocco
She's a good girl
She's a little mean
Nice body from the covers
Of the magazines
Eyes like deep green
Lips like angeline
The most beautiful girl
That you're ever seen

Hey, Loca, give me, give me your boca
You're my girl, you're my Loca
You're breaking my heart

Hey, Loco, please, espera un poco
And I'll give you my choco
Do you want it or not?
