It's a jump-up jungle, little like-a break-beat
Never seen that here - bunica beats da drum-a
Big mallet in the hand, high hat in the same beat
She's screaming like Hawkins, my old Big Mama
Bunica beat da drum-a like I never heard before
She's a-slapping Miss Blackman, gimme some more
Check it, let's kick it, we wanna dance now
We are turning into hammers ticking rhythm out

Bunica bate doba
Bunica bate tare
Bunica bate doba cu machuca'n casa mare
Bunica bate doba
Bunica bate tare
Bunica cu machuca bate doba'n casa mare

I love so much doba making boom-boom
Now get your body moving, just follow the tune
It's a real magic, Big Mama play her drum-a
She's flying into trance like an Indian shaman
Who's the Beatles, where from is Peter Pan
Who's the gypsy Jimmy Hendrix, she don't care, that
misses L
I smile, I cry when I see that crazy baba
Dizzy tempo, dizzy, let's go my music mama

Bunica bate doba
Bunica bate tare
Bunica cu machuca bate doba'n casa mare

People in the place, feel your body shakes
Bunica beat da drum-a, tapping out the breaks
Pop you up with that beat, get rid of rotten meat
You dig with your soul deep inside that rock'n'roll
She's a drum machine, you know what I mean
She wanna play jumparale to make you spin
Drain a bottle of wine, no need to roll the leaves
By the end of the show you will blow yourself to bits

Bunica bate doba
Bunica bate tare

Bunica bate doba cu machuca'n casa mare
Bunica bate doba
Bunica bate tare
Bunica cu machuca bate doba'n casa mare

Bunica bate doba
Bunica bate tare
Bunica bate doba cu machuca'n casa mare
Bunica bate doba
Bunica bate tare
Bunica cu machuca bate doba'n casa mare

You are a real drum machine
You make me wanna dance, you're a slapping queen
To get that state you drink juice from grapes
And I go deep into the music space

Bunica bate doba
Bunica bate tare
Bunica bate doba cu machuca'n casa mare
Bunica bate doba
Bunica bate tare
Bunica bate doba cu machuca'n casa mare

Bunica bate doba
Bunica bate tare
Bunica cu machuca bate doba'n casa mare

Bunica bate doba
Bunica bate tare
Bunica bate doba cu machuca'n casa mare
