Performed by: Karmen

Placing: 23rd

It was a warm midsummer night
He just came and made me feel alright
For one look (yeah, he's got the look)
For one touch (she really wanted him so much)
Then he grabbed his old guitar, began to play

He sang to me nanananana
So naturally, it set my heart on fire
He truly was my one desire
Oh, baby how he was, nanananana

He sang to me nanananana
My God, he couldn't get me any higher
Was not supposed to be a liar
But babe, that's what he was, nanananana

What a warm midsummer night
I just wanted him to hold me real tight
For one look (yeah, he's got the look)
For one touch (she really wanted him so much)
Then he grabbed his old guitar, began to play

He sang to me nanananana
So naturally, it set my heart on fire
He truly was my one desire
Oh, baby how he was, nanananana

He sang to me nanananana
My God, he couldn't get me any higher
Was not supposed to be a liar
But babe, that's what he was, nanananana

For one look
For one touch
Then he grabbed his old guitar, began to play
He sang to me nanana

He sang to me nanananana

So naturally it set my heart on fire
He truly was my one desire
Oh, baby how he was, nanananana

He sang to me nanananana
My God, he couldn't get me any higher
Was not supposed to be a liar
But babe, that's what he was, nanananana

Was not supposed to be a liar
But baby, how he was
