Placing: 2

Oh... oh... mmm...

I'll never ever let you go

Mmm... mmm... mmm...

Each morning I wake up alone, for too long I've been on  
my own

You seem to fill my heart and mind, the greatest love  
that I could find

Love that I could find

I'll never ever let you go though you hurt my feelings

You bring back memories all the time

I'll never ever be the same since you left me lonely

So please come back to me again

These last days I've been down and blue, I wonder if  
you miss me too

I think about you all the time and keep on waitin' for a  
sign

Waitin' for a sign

I'll never ever let you go though you hurt my feelings

You bring back memories all the time

I'll never ever be the same since you left me lonely

So please come back to me again

I cry out your name, I'm sick and tired of this game

Oo... baby, kiss me, I think this love was meant to be

Oh yeah... oh... love was meant to be, yeah

I'll never ever let you go though you hurt my feelings

You bring back memories all the time

I'll never ever be the same since you left me lonely

So please come back to me again

Mmm... oh...

I'll never ever let you go

Mmm... oh... yeah

I'll never ever let you go though you hurt my feelings  
You bring back memories all the time  
I'll never ever be the same since you left me lonely  
So please come back to me again

I'll never ever let you go
