Performed by: Mando

Placing: 17th

I don't know what I'm going through  
Close my eyes, still see you inside  
Everything reminds me of you  
I could never let you go

I can't hide my feelings at all  
I give you love, sometimes it's so hard  
Without you I know why I would fall  
Cos I'd never let you go

I would cry for you  
And I'd lie for you  
I would lay my life  
On the line

I can't hide from you  
Then I'd die for you  
But I'd never let you go

What we share keeps me alive  
For you there's nothing  
I would deny  
All I know is I want you so  
I could never let you go

I would cry for you  
And I'd lie for you  
I would lay my life  
On the line

I can't hide from you  
Then I'd die for you  
But I'd never let you go

(Cry for you)  
Cry for you  
(Cry...)

I would cry for you  
And I'd lie for you  
I would lay my life  
On the line

I can't hide from you  
Reach the sky for you  
But I'd never let you go  
Ever let you go
